

國立東華大學資訊工程學系研究生英語能力畢業標準實施辦法

English Proficiency Requirement for Graduate Students
Department of Computer Science & Information Engineering
National Dong Hwa University

Original requirement was listed in various graduate rules and regulations
Separated out as this article on 2013.01.15
Revised by Graduate Study Committee Meeting on 2013.05.07

- I. In order to enhance the competitiveness for employment and advanced study, this Requirement has been established to address the English Proficiency for all CSIE's Graduate Students.
- II. All graduate students must fulfill at least one of the requirements listed below; while those with degree from English-Spoken Countries may be exempted from the requirements. The test date should be within 4 years prior to entering NDHU or while studying in NDHU. Students must submit the original certification to verify.

III. Master Students (including Master program, Network & Multimedia program, International Master program) :

All master students should acquire at least one of the following English Proficiency certifications before graduation. The test date should be within 4 years prior to entering NDHU or while studying in NDHU. Students must submit the original certification to verify.

- (1) TOEFL iBT score 61 and above (TOEFL paper version PBT/ ITP score 500 and above) / TOEIC score 600 and above /
GEPT (The General English Proficiency Test) Intermediate Level Second Stage, or High-Intermediate Level First Stage, or above (全民英檢，中級複試或中高級初試以上) /
Other equivalent official English proficiency exams offered in/outside of NDHU campus.
(See Appendix #1)
- (2) Student may take the following **English courses** from either groups as the alternative of requirements:
- A. Courses offered by the **English Department**, related to Listening, Communication, Oral Training, Reading, English Writing or Technical Writing, Composition, Translating, or English for Science and Technology with **3** credits and graded **B-** or above.
- B. Courses offered by the **General Education Department**: related to Listening, Communication, Oral Training, Reading, English Writing or Technical Writing, Composition, Translating, or English for Science and Technology level (II) or above, with **3** credits and graded **B+** or above.

IV. Doctoral Students:

All doctoral students should acquire any one of the following English Proficiency certifications before applying for the Dissertation Defense. The test date should be within 4 years prior to entering NDHU or while studying in NDHU. Students must submit the original certification to verify.

- (1) TOEFL iBT score 79 and above (TOEFL paper version PBT/ITP score 550 and above) / TOEIC score 780 and above / GEPT (The General English Proficiency Test) High-Intermediate Level Second Stage, or above (全民英檢，中高級複試以上) / Other equivalent official English proficiency exams offered in/outside of NDHU campus. (See Appendix #1)
- (2) Student may take the following **English courses** from either groups as the alternative of requirements:
 - A. Courses offered by the **English Department**, related to Listening, Communication, Oral Training, Reading, English Writing or Technical Writing, Composition, Translating, or English for Science and Technology with **6** credits and graded **B** or above.
 - B. Courses offered by the **General Education Department**: related to Listening, Communication, Oral Training, Reading, English Writing or Technical Writing, Composition, Translating, or English for Science and Technology level (II) or above, with **6** credits and graded **A-** or above.

V. This Requirement has been established by the Departmental Graduate Study Committee, approved by the Departmental Executive Meeting, announced and executed afterwards. Any amendment should follow the same process accordingly.
