

*To the Career Development Offices of Taiwan Universities*

## SEMINAR ON WORK OPPORTUNITIES IN DENMARK

**The Trade Council of Denmark, Taipei** is inviting you to take part in a half-day free of charge seminar to introduce work opportunities in Denmark for Taiwanese University Graduates.

<b>WHEN</b>	November 22nd, 2016 – 14:00-16:30
<b>WHERE</b>	Taipei City, Songshan District, Bade Rd. Sec. 3, No. 20, 11/F
<b>WHO</b>	Anyone involved in career development at Universities in Taiwan
<b>SIGN-UP</b>	Please register for this free of charge seminar before <a href="mailto:rowena.li@tw.issworld.com">14th November 2016</a> by e-mail to: <a href="mailto:rowena.li@tw.issworld.com">rowena.li@tw.issworld.com</a> (phone: 02+25774888 ext. 105)

**What will you learn from the Seminar?** – We wish you will pass on the message on how to:

- Get to know Denmark and the Danish culture and living environment better.
- Understand the opportunities young Taiwanese people are offered whether they want to take one of the many specialized jobs in the attractive industry sectors above.
- Understand the many benefits of choosing a small, but internationally minded country as the next step in your career.
- How to apply for jobs in Denmark

Denmark is home to the most satisfied employees in the world—they are among the highest earners and have more work/life balance than almost any country in the world. Now Denmark is looking for talented people from Taiwan.

***Did you know.....?***

Denmark is continuously voted the home of the happiest people in the world?

You can work in Denmark all in English! – Virtually all Danes speak English and numerous jobs in Danish international companies require English skills only.

Danish companies offer some of the most attractive compensation packages and work conditions.

The Danish industry welcome Taiwanese talent especially within the following 3 sectors:

**IT**

<http://it.talentattractiondenmark.com/>

With its highly competitive IT cluster and ability to innovate and integrate complex software systems, Denmark has become a favourite hot spot and test market for some of the most successful and internationally renowned software companies like Microsoft, VMware, Apple, Google etc.

**CLEANTECH**

<http://cleantech.talentattractiondenmark.com/>

In Denmark 50% of the energy supply will be renewable within 2020. Our ambitious goal is to be coal free within 2025. We need more people who are willing act, not just talk. We need **YOU!** In addition our level of income is high, our work culture relaxed and our work/life balance unmatched, so take a look at the available jobs and read more about life as an expat in Denmark. You may be pleasantly surprised.

**LIFE SCIENCE**

<http://lifescience.talentattractiondenmark.com/>

With Medicon Valley, Denmark is home to one of Europe's strongest Life Science clusters with more than 100 biotech companies with own R&D, major R&D based pharmaceutical companies, 200+ medtech companies as well as CRO's and CMO's.
