

# CSIE 2018 Fall Class Schedule

Week	MON					TUE					WED					THU					FRI				
	BS		Int.BS		Graduate	BS		Int.BS			Graduate	BS		Int.BS			Graduate	BS		Int.BS			Graduate		
Department & Grade	Sophomore	Program	Freshman	Program		Freshman	Sophomore	Junior	Program	Graduate	Freshman	Sophomore	Program	Freshman	Sophomore	Junior	Program	Graduate	Freshman	Sophomore	Program	Freshman	Junior	Program	Graduate
2 07:10-08:10											A329 Service Learning (I) (Lai-Chang)														
3 08:10-09:00																									
4 09:10-10:00	A331			A331																					
5 10:10-11:00	Computer Game Architecture and Design /Wen-Kai Tai			Computer Game Architecture and Design /Wen-Kai Tai																					
6 11:10-12:00																									
8 13:10-14:00	全校不排課時段										本系不排課時段														
9 14:10-15:00	A337	A331	A329	A331	A329	A331	C309																		工四
10 15:10-16:00	Discrete Mathematics /Pao-Lien Lai	Computer Networks and Communications /Pro. Lo/English-taught course	Introduction to Digital Signal Processing /Shin-Feng Lin	Computer Networks and Communications /Shou-Chih Hou/Chinese-taught course	Introduction to Digital Signal Processing /Pro. Lin	Computer Networks and Communications /Shou-Chih Hou/English-taught course	Topics on optimization and decision making /Pro. Han-Ying Kao	Data Structures /Pro. Tsai/Support applied mathematics	Introduction to Virtual Reality /Pro. Yang/Limit 40 people	XML Design and Applications /Pro. Chang/Limit 40 people	Advanced Graph Theory /Pro. Peng														Seminar (I) - (III)
11 16:10-17:00																									
12 17:10-18:00																									
13 18:10-19:00	A331			A331	A331																				
14 19:10-20:00	Data Mining /Guan-Ling Lee			Data Mining /Guan-Ling Lee	Data Mining /Guan-Ling Lee																				
15 20:10-21:00																									

Bachelor's Indpt. Study(I) (CSIE30900) offered by Prof. Han-Ying Kao and Prof. Tao-Ku Chang

Service Learning(II) (SL\_18360) offered by Prof. Cheng-Chin Chiang And Prof. Min-Xiou Chen

Master's Seminar I/III (CSIEM0080/CSIEM0090) offered by Prof. Ching-Nung Yang and Prof. Chenn-Jung Huang on Fridays.
