

2026 Fall Course Schedule

MON										TUE										WED										THU										FRI									
Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Graduate	AI Master															
Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior			Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior
1	A331 Programming Ability Certification																																		1														
06:10 07:10																																																	
2																																				2													
07:10 08:10																																				07:10 08:10													
3																																				3													
08:10 09:00																																				08:10 09:00													
4			C101						C101							C101	D309	C101																		4													
09:10 10:00																																				09:10 10:00													
5			Operating Systems/ Prof.Chen																																	5													
10:10 11:00																																				10:10 11:00													
6																																				6													
11:10 12:00																																				11:10 12:00													
7																																				7													
12:00 13:00																																				12:00 13:00													
8																																				8													
13:10 14:00																																				13:10 14:00													
9		A329		C303	C305	C303	C305	C305		C305		E307	A329	B305	B204	C303	B204	C303	C303	A331	A329	C403	C203	E307	C303	B204	E307	C303	C309	E307	B305			A329	E307	C303	A331	C303	A331	C303	General Physics Laboratory				A307	A307	A307	9	
14:10 15:00			Electric and Electronic Circuits/ Prof.Chang	Computer Networks and Communications/ Prof.Lin/JointUG-G	Pattern Recognition/ Prof.Chiang/JointUG-G	Computer Networks and Communications/ Prof.Lin	Pattern Recognition/ Prof.Chiang		Digital Logic Design/ Prof.Yang		Computer Vision/ Prof.Yang	Database Systems/ Prof.Wu/ English taught	XML Design and Applications/ Prof.Chang/ English taught	Unmanned Aerial Vehicle in Mobile Networks/ Prof.Chien/JointUG-G	Theory of Computer Games/ Prof.Chang/JointUG-G	Unmanned Aerial Vehicle in Mobile Networks/ Prof.Chien	Theory of Computer Games/ Prof.Chang	Theory of Computer Games/ Prof.Chang	Introduction to Computer Programming (I)/Prof.Chang	Discrete Mathematics/ Prof.Chang	Computer Architecture/ Prof.Ho	Introduction to Image Processing/ Prof.Lin/ English taught	Advanced Computer Vision/ Prof.Yang/JointUG-G	Special Topics on System-on-Chip Design/ Prof.Tsai/JointUG-G	Very Large Integrated Circuit Design/ Prof.Chien/JointUG-G	Advanced Computer Vision/ Prof.Yang	Special Topics on System-on-Chip Design/ Prof.Tsai	Very Large Integrated Circuit Design/ Prof.Chien	Advanced Computer Vision/ Prof.Yang	Lab of Programming/ Adjunct Prof.Chang			Introduction to Digital Signal Processing/ Prof.Lin/ English taught	AIoT Smart Device Practice/ Prof.Wen-sheng, Chen	Data Mining/ Prof.Lee/JointUG-G	Distributed Systems/ Prof.Wu/JointUG-G/ English taught	Data Mining/ Prof.Lee	Distributed Systems/ Prof.Wu/ English taught	Data Mining/ Prof.Lee				Special Topic Lecture	Special Topic Lecture	Special Topic Lecture	10			
15:10 16:00																																																	
11																																																	11
16:10 17:00																																																	16:10 17:00
12																																																	12
17:10 18:00																																																	17:10 18:00
Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Program	Graduate	AI Master	Int.BS			Graduate	AI Master															
Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior				Freshman	Sophomore	Junior			Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior	Freshman	Sophomore	Junior
MON										TUE										WED										THU										FRI									

NOTE : Undergraduate : Independent Study/Prof.Chang 、 Prof.Chen 、 Graduate : Special Topic Lecture/Prof.Lai 、 Prof.Lin 、
